

## VHDI-0200M

## Features:

- \* Support HDMI 1.3
- \* Extend transmission distance is up to 200M via cat5/6
- \* Support IEEE 802.3 Local Area Network(LAN) protocols
- \* LED indicator to show work status of PWR or data
- \* Not support multipoint-to-multipoint mode
- \* Support single-to-multipoint mode

200M HDMI IP Extender is based on TCP/IP standard. It transmits your HD display with the high resolution up to 200 meters away from your DVD or Computer source by using one CAT5e/6 cable.

| Specification                  | VHDI-0200M                                                                          |
|--------------------------------|-------------------------------------------------------------------------------------|
| Video Connectors               | HDMI Type-A Female                                                                  |
| HDMI Video Standards           | 1080p / 720p / 480p<br>(Nor 1080i, 1080P50)                                         |
| Audio                          | Support                                                                             |
| Power consumption              | HDMI Sender: 3.5W HDMI Receiver: 2.5W                                               |
| Unit to Unit                   | 1 x RJ45 Female                                                                     |
| Operating Temperature/Humidity | 0°C ~ 45°C, Humidity 80% or less (non-condensing)                                   |
| Storage Temperature/Humidity   | -10°C ~ 70°C, Humidity 90% or less (non-condensing)                                 |
| Power adapter                  | DC5V 1.0A                                                                           |
| Casing                         | Aluminum Case                                                                       |
| Dimensions                     | 90×91×20mm                                                                          |
| Weight                         | 240g                                                                                |
